

## **Solid Waste Interest Group**

### **Meeting Summary of 9/1/04**

We want to thank everyone who participated in the first meeting of Solid Waste Regulations Review Committee. The following is a meeting summary and an action item for committee's next meeting.

- The committee meeting will be held from 1:30 pm to 4:30 pm, on alternate Wednesdays, starting on September 15, 2004. The time may have to be changed to 1 pm to accommodate some members.
- The meetings will be held at DEQ's HQ. A reminder will be sent out to the members in advance of the meeting informing them of meeting place and time.
- The committee is charged with reviewing the regulations to determine whether they meet the current environmental or industry's standards, and make appropriate recommendations to meet the standards, if required.
- If a member is unable to attend a meeting, his/her designee can participate in the meeting.
- The target date for accomplishing the task is January 2005.
- As an action item for the next meeting, please compile a list of items, issues, changes that should be included in the current regulations to meet the objectives. This list will be debated and prioritized for schedule development and future considerations.
- If your suggestions are ready early, please forward them to Sharon Parker to be compiled and distributed to the other members at the meeting.
- A contact list will be developed and distributed at the next meeting.

Our next meeting will be September 15, at 1 p.m. in room 1051. This room is located on the 10th floor. You will need to check in with the guard and then be escorted up to the meeting room. If you have any other questions, contact me or Bijan Sharafkhani at 225-219-3462.
